## *Bio of Dr. Elizabeth E. Castle*

Dr. Elizabeth E. Castle is a certified Paracletos Christian counselor, educator, entrepreneur, mother, author, radio and television talk show host, community leader, and most of all a devoted and humble servant of God. She was inspired in 2011 to open a personal counseling service known as “A Deeper You” to assist all persons who desire to achieve wellness of body, mind, and spirit.

Dr. Castle teaches the message of oneness. She strives to empower the whole man in a biblical holistic manner. Through her uplifting radio broadcasts or as an engaging lecturer, she encourages the listener to engage in self-discovery. Though she is challenged with limited natural sight, her inner spiritual sight allows her to empower and help other find their paths through life.

Among her accomplishments, she was honored with a Dr. Martin Luther King full scholarship to the University of Central Florida. She was also the recipient of the first Willie Burton Award. She received her bachelor’s degree with high honors from American Intercontinental University with a major in Business Administration with an emphasis in Psychological Disorders. Dr. Castle continued to obtain her master’s degree in Education with an emphasis in Curriculum Design.

Dr. Elizabeth E. Castle is a community activist who encourages people to use their unrealized strengths to overcome life challenges. In 2003, under her nonprofit organization, The Agape Resource Collaborative, Inc. (TARC), she established Clean Sweep, which is an inner-city cleanup program. TARC also offered entrepreneurial education and financial literacy programs to communities where she served. Dr. Castle has traveled throughout the country helping community-focused groups to organize and activate community improvement programs such as “Jacob’s Ladders,” an advocacy program for “at risk youth.” An advocate is paired with a youth and their family to achieve educational success.

Dr. Castle has extensively traveled throughout the United States and the West Indies, teaching God’s Word. She spiritually covers churches in Kenya, Nigeria, and Liberia. She has also established churches in Atlanta, Georgia; Sarasota, Florida, and West Palm Beach, Florida, and centers in Charleston, South Carolina and Baltimore, Maryland.

Currently, Dr. Castle is pursuing a Doctorate in Philosophy and Counseling with a concentration in Life Coaching from Newburgh College and Seminary, and because of faithful years in ministry she received an honorary Doctorate in Systematic Theology. Dr. Castle is listed in multiple Marquis Who’s Who, including the Marquis’ Who’s Who in the World 2018.
